ANYWAY – BRIAN D'ARCY

People are often unreasonable, illogical and self-centered. Love them anyway.

If you do good, people will accuse you of selfish, ulterior motives. Love them anyway.

If you are successful, you will win some false friends and some true enemies. Succeed anyway.

The good you do today will be forgotten tomorrow. Do good anyway.

Honesty and frankness, make you vulnerable. Be honest and frank anyway.

What you spend years building maybe destroy overnight. Build anyway.

People really need help, but may attack you if you help them. Help people anyway.

Give the world the best you have, and you may get kicked in the teeth.

Give the world the best you've got anyway.

Reflection

~Working for Christ~

To do the work of Christ is really quiet simple.

It means to be faithful in little things,

For to be faithful in little things is a big thing.

It means to do one's task, no matter how humble,

Not only thoroughly but joyfully.

It means to make oneself available,

Yet never seek the limelight.

It means to makes oneself useful,

Without seeking to push oneself.

It's means to carry one's burden, without, As far as possible, becoming a burden on others.

In a word, it means to be at one's post,

Helpful and faithful, loyal and constant.

Lord, make me an instrument

For the bulding of your kingdom.
