REFLECTION Where to start

When I was young and fired with the love of God, I thought I would convert the whole world. But soon I discovered that it would be quite enough to convert the people who lived in my town,

and I tried for a long time to do that, but did not succeed.

Then I realised that my program was still too ambitious, so I concentrated on those in my own household.

But I found that I could not convert them either.

Finally, it dawned on me: I must work on myself.

When people complain about what's wrong with the world, they are usually blaming somebody else.

They should look at themselves first.

That way, they will know they are making a difference in at least one life.

We can't take anyone farther than we've gone ourselves.

Beloved Lord

Breathe calm in my mind

Peace in my heart

And silence in my soul.

In the silence let me hear your voice

In the peace let me see your face

In the calm let me know your love

May Christ who cared for those

In need and healed those who were ill,

Care for you and bring healing
